“The bird a nest, the spider a web, man friendship.” — William Blake (1793)  
Happy Birthday, my friend.

- “Hope today’s filled with all your favorite guilty pleasures!”
- “Eat. Drink. Drink a little more. Then take a nap. That’s what I’d suggest if you wanna have a really great birthday. :)”
- “Hope you make your [25th] a birthday to remember!”
- “Wishing you good friends, big laughs, spicy wings and lots of ‘em on your birthday!”
- “Hope your day is as sweet, fun and all-around amazing as you are!”
- “Today is all yours! We hope it’s great!”

Happy Birthday
